Richard & Joyce Stevens USA 214 821 3850	<i>"My first Lion Hunt – It all started last year while we were leapord hunting in the Great Marico Area. I told my best friend, mentor, hunting partner and husband of 56 years that I thought I would like to shoot a lion next year. We looked about it and planned our hunt for October 2013 ... So here we are! On the second day of the hunt I shot my lion... One shot, one kill... only on month shy of my 76th birthday. This is our 11th year hunting with Rudolf and the plan for next year is a Cape Buffalo. Also our special "thanks" to Rudolf and his wife Marelna, Erich and Anne for their friendship, hospitality and the 'at home atmosphere."</i>

From the beginning in the great Marico area with Gene and his staff to the last campfire, Shirley and I owe more thanks and gratitude than can ever be written on paper of experssed by words. The facilities were fantastic, the warmth of the family felt deep within and the whole hunt superb. We will never forget the adventure that excede all expectations. The food was fabulous and made dining a pleasure every day. We loved eating all the game food. About the hunt: I doubt if anyone involved will ever forget the Quest of the Elusive Sable, a dream that came true, drifted into a nightmare and ended as a fairy tale. Will now be a part of our homes furnishings. My appreciation fo the professionalism and dedication fo Rudolf and Elias is overwhelming! Rudolf's patience an humor also enlightened the whole hunt. Thanks so much for the safe and great hunting adventure, the delicious food, the Top-Notch facilities</i>
